Microsoft Expert Connections: FAQ

What are the Expert Connection activities?
Microsoft engineering teams are hosting small group discussions, 1:1 direct conversations, and “Ask us Anything” sessions after the Microsoft Ignite conference. You’ll be able to join these conversations across a large breadth of topics. The activities will be run as Teams Meetings and are 30 to 60 minutes in length.

When do the expert connection activities occur?
These activities occur after the Microsoft Ignite conference, from September 24th through October 2020.

Where can I see the list of topics available to participate in?
The full list of topics we are covering in the Expert Connections can be viewed at: https://aka.ms/expertconnectiontopics

Who will I be talking to from Microsoft during these activities?
Product team members including program managers, software engineers, researchers, marketers and designers will be taking part in these discussions.

How do I sign up?
Fill out this 5-10 minute survey to sign up. https://aka.ms/expertconnectionssignup

Once you submit your responses, we will send you an email with information on the times and dates of activities you’re interested in, with a way to register to save your spot.

What will you do with the information I share in the sign-up form?
We will only use the information you fill out in the sign-up form to identify and match you to topics you are interested in participating in. Your information will not be shared for other purposes.

Will I be able to attend every activity I’m interested in?
Space is limited in the Expert Connection activities, so we recommend filling out the sign up survey and registering for the activities we send in email quickly so you can reserve your spot in the activities that interest you most.

Who can I email with more questions?
Please email exptconn@microsoft.com if you have additional questions. Thank you!
